

## First Tee of New Hampshire's Annual Golf Tournament Sponsorship Opportunities

First Tee of New Hampshire is a nonprofit that uses the game of golf to teach kids and teens valuable life skills, such as honesty, confidence, respect, integrity, perseverance and sportsmanship, which are applied on and off the course to help them grow into successful citizens. These values stay with our youth long after the game, preparing them to be meaningful contributors and leaders in our state. We established the Good Golfers Better People initiative to give New Hampshire community members the ability to help drive the success of the First Tee program. One way to contribute right now is through one of our impactful Annual Golf Tournament sponsorship opportunities.
