

First Tee – New Hampshire FAQ – COVID Version

Updated – 1/29/2021

Can I register for programs right now?

Yes, you can register through our First Tee website by clicking [HERE](#). If a class is open you will be able to add it to your shopping cart and complete registration.

What are you doing to ensure the kids safety?

- Class sizes will be a maximum of 12 kids, 2 coaches and 1 volunteer, Target classes for 5 1/2 & 6-year-olds will be a maximum of 6 kids to start the season.
- We will be practicing social distancing according to guidelines of 6 feet or more throughout class
- Staff and Coach temperatures will be taken prior to your participant's arrival – we encourage you to take your child's temperature at home prior to arriving CDC recommends anything higher than 100.4 degrees Fahrenheit to refrain from group activities
- Check-in will take place outside. [Click Here](#) for new procedures at Sagamore driving range.
- Sanitization and disinfection practices will be increased
- There will be no sharing of golf equipment or common items (Balls, tees, ball markers, etc.)
- Facemasks must be worn by all during check-in, transitioning from one station to another and at pickup. Masks may be able to be removed or lowered, but will be at the coach's discretion.
- Hand sanitizer will be available

What if we need to borrow clubs?

There will be a question during registration that asks if clubs are needed. You will be able to fill in the dexterity as well as the height, please be very close when entering height. If you are not sure of the dexterity it is typically the natural stance your participant would take to hit a baseball.

Are the kids required to wear facemasks?

Yes, facemasks must be worn during check-in, transitioning from one station to another and at pickup. Subject to coach discretion masks can be removed when we are able to remain 6 feet apart. If you forget a mask, we will do what we can to help. The wearing of face masks and requirements are subject to change and based on state recommendations.

What can I, as a parent/guardian, do to get ready for class?

- Have a talk with your kids at home about the importance of maintaining distance even from their best friends. While we all miss people we care about dearly, at this time we all have a Responsibility to do our part and be safe.
- Take your participant's temperature prior to leaving the house. We will take temperatures at drop off as well. If your participant is under the weather, we can either move your participant to a later class or offer you a refund.
- If your participant or anyone within the household is under the weather please refrain from coming to class. We can either move your participant to a later class or offer you a refund.
- **Make sure your participant has appropriate size clubs. As a reference the driver of the set should come up to the sternum.**

Will the First Tee office be open?

The First Tee office will remain closed to the public for the time being for the health and safety of staff and coaches. The restroom will be open for participants only, Sagamore Learning Center has 2 bathrooms upstairs that parents and siblings are able to utilize.

What about inclement weather? If it rains/storms will there be class?

Due to the lack of ability to utilize indoor classroom space we may postpone a class if there is torrential rain or storms. That call will be made 1 to 1 ½ hours prior to the start of class and you will be notified via email.

Can we bring water or a snack?

Please bring your own filled water bottle or snack. Although we do not take snack and drink breaks for classes

If we registered for a class, but we are not quite comfortable being around others, what are our options?

We completely understand there will be different comfort levels. So, if you are not quite ready to be around others and want to wait that is fine. We can move your participant to another class or simply offer you a refund. We simply ask that you give us more than 48 hours' notice as most classes will have a waitlist and we want to be respectful of their position on the waitlist.

Can I come and watch the class from a distance?

While you are welcome to watch from a distance, we have found participants become very distracted when they can see their parents/guardians watching. As a favor to your participant and coaches you are welcome to observe discretely if you feel you must.
